

**GENIUS 3D
MAMMOGRAPHY**

IS HERE.

*Up to 40% fewer callbacks and proven to detect 41% more
invasive breast cancers than 2D mammography**

3D Mammography is an extraordinary breakthrough in cancer screening and detection. Our new breast tomosynthesis system delivers greater clarity and more certainty, and it is bringing a new dimension to breast health.

Call us today to learn more and to schedule your 3D mammogram at **806-457-2060**.

**First provider of
3D mammography
in Amarillo**

Lova Arenivas, M.D. • John Coscia, M.D.
