

embarrassed? NOT US.

We're **WOMEN'S HEALTHCARE ASSOCIATES:**
A team of the highest qualified, Physicians and Nurse Practitioners
who exclusively focus on the unique healthcare needs of women.

Sometimes it's awkward to talk about issues with your health, especially when it involves intimacy and sexual matters or problems with incontinence or leakage.

WE'VE HEARD IT ALL!

WE OFFER SOLUTIONS.

CALL 355.6330 FOR YOUR APPOINTMENT TODAY.

Please don't put off issues that affect your health and well-being.

- We'll make you feel comfortable.
- We're approachable, educational and consider it our honor to serve you.
- **ALL LAB WORK** performed at our location including: bone density, mammograms and ultrasound.
