

ALternative Learning Assignment: Monologue about ALT

We are all dealing with our “new normal” in different ways. Somedays we might be happy we get to spend more time with family and other times we might be sad that we aren't getting to see our friends or do activities that we love. As artists, sometimes the best way to express what you are feeling is to write it down. As actors, we sometimes can take those feelings we have written down and construct them into a monologue.

We would love for you to write a monologue about ALT and/or the Academy. What do you miss about ALT? What do you love about ALT? What is the first thing you want to do when you get to come back to ALT? Think about the sounds, the smells, the way you feel and the people you see when at ALT. Your assignment is to write a monologue about ALT and/or the Academy and email it to Mr. Jason at jason@amarillolittletheatre.org. If you want to, feel free to perform your monologue as well! We can't wait to read your monologues!
