My sincere thanks to everyone that auditioned. There was a lot of talent in the room and the readings were very strong.

Please remember that we have auditions for “Good People” on September 21 and 22. There are some great roles in that show and I think it is one of the finest scripts of the season.

Cast members: You may pick up a script at the ALT Box Office until 5:00 pm today. If you can't get by here today, you will get your script Monday night. Rehearsal time will be 7:30 at the Mainstage.
