Thank you to everyone who auditioned! There was an abundance of talent which made casting difficult. We looked at many factors including conflicts, Thanksgiving plans, performing the show on our smaller stage, etc... We wish we could have cast more students but were limited on cast size.

If you do not see your name on this list, please know that you still did great. Many of you were just too old to play the children roles and too young to play the adult roles in this show. We were so proud of everyone who auditioned and hope to see everyone at *The Wizard of Oz* auditions in the Spring.

If you see your name on the list above, please plan on attending our cast meeting on **MONDAY, OCTOBER 26<sup>th</sup> at 7:30-8:00pm at the ALT MAINSTAGE (2019 Civic Circle)**

Please enter through the main front lobby doors. (Entrance 2 or 3). Due to safety protocols, we would like only 1 responsible adult to attend the meeting with each cast member. Everyone entering the building will need to wear a face covering/mask for the whole meeting. At the meeting, scripts and rehearsal schedules will be handed out. Please bring a folder and pencil to the meeting.

Thank you!
