Our most heartfelt thanks to everyone that auditioned
There was some amazing talent in the room for these auditions. It is indeed a tragedy
that we couldn't cast everyone.

Please note that we could not produce this show effectively with the limited number of
people that were present at the auditions. We had issues with ages, some limited ability
to play an instrument and some problematic rehearsal conflicts, which made casting the
show very difficult. We also had a disappointing number of people auditioning that would
only accept one role. This made it almost impossible to fill the cast. We have finalized a
cast list with one role yet to be assigned. Please feel free to contact me via email at
allen@amarillolittletheatre.org should you need further clarification.

To the cast:

We will have our first cast meeting and vocal/instrument rehearsal on Monday, December
21 at 7:30 pm at the ALT Adventure Space.

We will distribute scripts and scores at that time.

EVERYONE must wear a mask throughout the rehearsal period. You should also be
aware of social distancing and practice good hand hygiene.
