A big thank you to EVERYONE who auditioned for this musical. The production team had some tough choices to make and had to look at many factors for casting including conflicts. This is a short rehearsal period so conflicts weighed heavily. We were extremely proud of all the students and impressed with the growth of your vocals and dance skills!

If you see your name above, please plan to attend a cast meeting on **THURSDAY, MAY 27th at 7:30pm at the ALT Adventure Space.** This meeting will last roughly an hour where scripts, scores and rehearsal schedules will be handed out. Please bring a 3 ring binder, pencil and highlighter to this meeting.

Thank you.
