My sincere and heartfelt thanks goes out to all who attend auditions. There were many different ways this cast could have gone, and I had many difficult considerations in trying to narrow down this list. I desperately wish that I had more roles to cast. It was an honor to witness all of the talent and dedicated work in each one of the auditions. Thank you all for providing me with such challenging choices!

I hope to see all of you around at future ALT auditions!

Could the cast please pick up their scripts from the ALT box office and meet for a read-through in the Adventure Space on **Tuesday, September 21 at 7:00pm**. Please bring a notebook and pens/pencils. Many thanks!
